## Health and Healing Initiative for Ascension Gateway via Unified Field Source Creative Cosmic Consciousness Unit Broadcasts

### ATTENTION ALL MEMBERS OF AREA 52 – EX TERRA

An offer is being made to you as a thank you for supporting Area 52 – Ex Terra.

#### Introduction:

Area 52 is a Bridge Zone Project reaching between the world you think you see before your eyes and a Higher Dimensional one which you will progress towards. Many refer to these “other worlds” as “off planet” “extra-terrestrial” or simply heavenly. What Area 52 allows is for you to have a real connection and feeling for a realm or place that is truly different and full of hope and joy – in short, an escape from the drudgery and chaos of the fast-breaking-down Lunatic Asylum which has served as a prison for many souls for millennia. It’s the world that is lunatic NOT the planet Earth.

We are offering you a pre-view of the 4<sup>th</sup> Dimension while spinning your wheels in the 3<sup>rd</sup>. In the 4<sup>th</sup> it is the mastery of time that you need to learn not space – learning how to become invisible to 3<sup>rd</sup> Density creatures is of paramount learning importance initially. Area 52 is a novel enterprise and relies totally on you for its existence. To this end it must deliver value and that value is an OBJECTIVE VALUE which you consider to have worth.

#### What Do I Mean by That?

It could be that, for example, you have, in the past considered something worthless and discarded it. Then with a later newfound realisation that you want it back a problem arises. You now need to have your attention redirected to show that *it did have worth* and so you need to restore the value to your mind. But where is it and how do you get it back? This is where this project and the Truth which is Area 52 becomes important.

#### Health is a Key Pre-requisite for Continuing Evolutionary and Spiritual Development

As an introduction for you, we are going to consider our example here as that of HEALTH. Many people are not healthy these days. It is a prime concern for most and many “worry” that if they move to another country or area then they might not be able to avail themselves of “allopathic medical care.” It might seem to many that the body, your body gets old, ages and then dies totally according to a “natural prescribed Universal law.

Now, what if these so-called inevitabilities, illness, disease, aging, and death were NOT inevitable but were a “mind condition” that has become an Un-Natural Law of Mankind? What if in giving over your

personal power to external remedies and to people you don't know – you had given away your “Personal Power” and begun a descent into Hell?

## WHAT IF?

What if it did not have to be that way? Good news indeed would it not be! In a desire to hand this power back to you I am proposing a Healing Module to all who wish to participate. All you have do, as a **MEMBER** of Area 52 – Ex Terra is

## IF YOU WISH TO PARTICIPATE IN THIS PROJECT THEN IT IS SIMPLE HERE'S WHAT TO DO!

1. Simply send an email to [info@area52.life](mailto:info@area52.life) with the word **KRISTAL HEALING PROJECT**
2. We will then send you an email by return asking for a few details. This email will ask you to provide your name and date of birth along with the medical condition or ailment or problem you feel is holding you back In the box provided. [If you have several maladies, we prefer that you just stick with the one which you consider that you need help with the most urgently - we'll tackle that first, otherwise it just gets too confusing]. It (the ailment) can be anything you deem important enough to mention, from cancer to a psychiatric problem - just mention it on the form, in the box provided to a **maximum of 25 words**.

We will also then TELL YOU the time and date on which you will be entered onto the Broadcast Waveband. This broadcast is a **Vibrational Unified Field Code** – which will be exclusive to you. This unique vibration, selected by your Higher Self so keeping you and ensuring total safety will enter your auric field via your natural Security Shield or Merkabah Geometry and into your Heart (Sha.Ka.Ra) or Cave of the Heart.

**N.B** We would encourage you *NOT* to list (say) a broken tooth, an open wound that needed stitching or something that needed urgent conventional medical/dental attention as the **STRESS AND EXPECTATION FACTOR OF YOUR MIND** can easily “negative out” (Neg. Out) any desired healing and *The Law of The Universe cannot be overridden, even by our methods, as we cannot force anything upon you that you do not want.*

3. **PLEASE NOTE** THAT THE SPECIFIC TRANSMISSION BROADCAST FOR YOU IS PLACED ONTO A WEEKLY LIST FOR ACTIVATION ON A SUNDAY NIGHT AT 18:00HRS GMT (London). This means that if you enrol on a Monday, you will have to wait for 6 days for the ACTIVATION. It is well to KEEP A NOTE AND PLACE IT ON YOUR MIRROR, OR FRIDGE OR STEERING WHEEL OR OTHER PROMINENT PLACE so that you are aware that the time and date for you is NOT FORGOTTEN OR MISSED. It is not important other than for you to be responsible and giving conscience permission/consent for the Broadcast to be received by your Self via yourself!
4. **VISUAL PROPS TO HELP:** If you wish to imagine a shape or object within you, from where this energy is being re-broadcast through your various bodies then you can imagine that it emanates from a very small "*Aleph Point*" of Light situated in the location of your heart Sha.Ka.Ra (chakra) IN THE FORM OF A TUBE TORUS, either placing it in the heart organ itself or slightly to the left, where the spiritual heart Sha-Ka-Ra is located. (Sha.Ka.Ra 4 in Conventional 7 Sha.Ka.Ra Hindu system, or Sha.Ka.Ra 5 Heart [Christ] or 6 Heart [Personal] Egyptian School) This is referred to as "*The Cave of The Heart.*" It (this torus) will/can then be imagined as expanding to a size sufficient to contain the biological heart. It will upon examination with the Mind's Eye also be seen to turn within itself and of itself – clockwise or anticlockwise – try to see which way yours turns or spins!
5. In order to ACTIVATE the Field and allow it to pass via your bio-etheric shield, you need to GIVE PERMISSION AND CONSENT – [this is done to ensure you begin to TRAIN YOURSELF IN WHAT GIVING PERMISSION IS REALLY ALL ABOUT] simply say: "*I give my Higher Self and my Self permission to heal. BEGIN NOW!*" **Three times!**
6. This "*Action at a Distance*" healing program is the "*Highest State of the Art Light Show*" current allowed and scientifically viewed around the discussions and debate behind the Copenhagen Interpretation (CHI) of Niels Bohr and co. in the theoretical physics controversy with Albert Einstein in the early part of the 20<sup>th</sup> century. The latter, Einstein, claiming that nothing could travel faster than the speed of light (SOL) and Bohr (& the others) saying that the "Non-Locality Principle" ruled the Universe, and all things were communicated everywhere INSTANTLY. The latter being correct.
7. As part of this process, we will ask some of you weekly, in the first 4 weeks, to provide an update on your progress.
8. You can continue with whatever treatments you are currently undertaking and do NOT have to mention anything to your medical practitioner.
9. The **Vibrational Broadcast Frequency Key** you will etherically receive is totally inert to other lifeforms, cannot harm in any way and is totally personal to you and cannot interfere with anyone else within your household or locality.

### **WHAT'S THE POINT?**

This Area 52 Health Assistance Service is made to rapidly accelerate and dissolve your currently crystallised mindset and allow you to witness that the power of healing (and to heal) is nowhere else than in your Mind and is a part of Universal Consciousness and NOT in the "clay monkey-suit" you wear in your spiritual progression to through the Universe.

A secondary aim is to provide you with a Security Blanket and a proof that "*there is much more to health than meets the eye*" and once you begin to witness the proof of this you can embark on more radical self-empowerment methods. Healing/health is basic psychology, and the mind is the keeper of the gate to health and this is the mistake which many of the "Separated ones" make in believing that

*“matter has some sort of autonomous and independent ability to perform, move, animate or harm”.*  
It does not. Remember: “Matter brought to matter can have no effect!”

### **Appendix 1**

For those individuals who require additional technical input on the **“HOW DO WE DO THIS”** question, the following is a general directive or pointer of the Broadcast Technologies and Methods employed/transmitted.

The transmission is a Collaborative Amalgam of various already known techniques – some are more conventional, and some are less well known. Some are known only via esoteric study, whereby others are freely circulating on the internet and in the Esoteric Sciences.

The Area 52 Ex Terra System uses a combination and selects variably and at the discretion of The Higher Self – the most appropriate combination or single method to send to you to bathe, heal and progress the best outcome for you. The method cannot fail, all healing is received as soon as it is given, and all effects will become manifest eventually. Delays are NOT denials and patience will work to your best advantage. The nature of Universal Law is that Cause and Effect are one, are located in the same place, and to give is to receive, and there is no time delay – all things happen/have happened spontaneously and are just slowed or speeded up to fit the dimensional district in which you “think you live!”
